ABES ENGINEERING COLLEGE

Frequently Asked Questions (FAQ)

Knowledge-base draft for the UniAssist AI University Chatbot Support System

Institution	ABES Engineering College, Ghaziabad, Uttar Pradesh
Prepared	1 October 2026
Format	Question-and-answer dataset for chatbot retrieval / FAQ ingestion

Important: This is a researched starter FAQ, not a claim to include every question anywhere on the internet. Answers are based on information found on ABES's official pages where available. Policies, fees, dates, intake and contact details can change; verify time-sensitive answers against the current official notice. Where an exact answer is not published in the sources consulted, the FAQ directs users to the relevant office or official page instead of guessing.

Designed to be expanded, reviewed by the college, and converted into structured chatbot data.

1. College Overview

Q1. What is the full name of the college?

A: ABES Engineering College, Ghaziabad, Uttar Pradesh.

Q2. Where is ABES Engineering College located?

A: The official address is 19th KM Stone, NH-09, Ghaziabad, Uttar Pradesh, PIN 201009.

Q3. How can I contact the college?

A: The official website lists 0120-7135112 and info@abes.ac.in. For a specific department or admission query, use the relevant contact details published on the college website.

Q4. What is the official website of ABES Engineering College?

A: https://www.abes.ac.in/

Q5. When was ABES established?

A: The college's official admission website states that ABES was established in 2000.

Q6. Is ABES Engineering College autonomous?

A: The official admission website describes ABES as an autonomous college since 2025. For the latest academic rules, check the current notices and regulations.

2. Courses and Departments

Q7. Which undergraduate engineering programmes are listed by ABES?

A: The official courses page lists B.Tech in Computer Science & Engineering, CSE (Artificial Intelligence and Machine Learning), CSE (Data Science), Electronics & Communication Engineering, Electrical and Computer Engineering, and Mechanical Engineering.

Q8. Does ABES offer B.Tech in Computer Science and Engineering?

A: Yes. CSE is listed among the B.Tech programmes on the official courses page.

Q9. Does ABES offer an AI and Machine Learning specialisation?

A: Yes. CSE (Artificial Intelligence and Machine Learning) is listed among the B.Tech programmes.

Q10. Does ABES offer Data Science?

A: Yes. CSE (Data Science) is listed among the B.Tech programmes.

Q11. Does ABES offer Electronics and Communication Engineering?

A: Yes. Electronics & Communication Engineering is listed among the B.Tech programmes.

Q12. Does ABES offer Electrical and Computer Engineering?

A: Yes. Electrical and Computer Engineering is listed among the B.Tech programmes.

Q13. Does ABES offer Mechanical Engineering?

A: Yes. Mechanical Engineering is listed among the B.Tech programmes.

Q14. Does ABES offer postgraduate programmes?

A: The official courses page lists MCA and M.Tech programmes in Computer Science and Engineering and Electronics & Communication Engineering.

Q15. Does ABES offer BCA?

A: The current official courses page lists BCA under the Department of Computer Application.

Q16. Does ABES offer working-professional programmes?

A: The official courses page lists B.Tech working-professional options in CSE and ECE. Check the current admission notice for eligibility and schedule.

Q17. Where can I see the current list of courses and approved intake?

A: Visit https://www.abes.ac.in/courses-offered.html. Programme availability and intake can change by academic session.

3. Admissions and Eligibility

Q18. How do I apply for admission to ABES Engineering College?

A: Start from the official courses/admissions page at https://www.abes.ac.in/courses-offered.html and follow the instructions for your programme and admission route.

Q19. How are B.Tech first-year seats filled?

A: For the 2026–27 session, the official page says 85% of approved intake is filled through counselling based on JEE Main 2026 and applicable AICTE/AKTU eligibility. Verify the live counselling notice for current instructions.

Q20. Is direct admission available?

A: The official page describes direct admission for eligible candidates, subject to AICTE/AKTU guidelines and college policy. For 2026–27, it describes 15% of seats through this route; confirm current eligibility and availability with admissions.

Q21. Where can I find the counselling process?

A: Follow the official AKTU counselling announcements and the instructions linked from the ABES courses page. Candidates should follow the dates on their allotment letter.

Q22. What should a counselling candidate do after receiving an allotment letter?

A: The college's official instructions say candidates should complete the required online steps and physically report on the dates stated in the allotment letter/counselling schedule.

Q23. Is physical reporting required to confirm admission?

A: Yes. The official online-registration instructions state that physical reporting and payment of the required fees are mandatory to confirm admission.

Q24. What happens if I do not report or pay fees by the given deadline?

A: The official registration instructions state that admission may be treated as cancelled if a candidate fails to report physically or pay the required fees on the specified dates.

Q25. Which documents are needed for admission?

A: The official pages list documents such as the allotment letter where applicable, entrance-exam result, Class X and XII marksheets/certificates, and applicable diploma/graduation records, transfer/migration and character certificates. Use the current checklist at https://abes.ac.in/documents-required.php because requirements vary by route.

Q26. Can I apply if my result is awaited?

A: The official admission materials refer to an undertaking for certain result-awaited cases. Eligibility depends on the programme and admission route; check the current notice or contact admissions before applying.

Q27. Where can I check admission deadlines?

A: Check the official ABES admissions page and the applicable AKTU/JEE/CUET counselling portals. Dates vary by programme and admission round.

Q28. Where can I ask an admission question?

A: The official registration page lists 0120-7135112 (extensions 108/110) and 9999889341 for ABES Engineering College admission assistance. Confirm the latest contact details on the official site.

4. Fees, Payments and Refunds

Q29. Where can I find the latest academic fee structure?

A: Use the official fee/admission page: https://www.abes.ac.in/courses-offered.html. Fees differ by programme and session.

Q30. What is the listed B.Tech academic fee for 2026–27?

A: The official page lists a total of ■1,81,200 for the displayed B.Tech fee heads, including a one-time refundable security deposit. Check the fee table for the exact components and confirm the amount applicable to your category and admission route.

Q31. Does the academic fee include a refundable security deposit?

A: The 2026–27 fee table lists a one-time refundable security deposit of ■5,000. Refund eligibility and process are subject to the college's current rules.

Q32. How can I pay the academic fee?

A: The official fee page lists payment through the ERP admission portal/payment gateway, Jodo link/QR code, bank draft, and RTGS/NEFT, subject to the current instructions. Follow the exact beneficiary and payment details on the official page.

Q33. Can I pay academic fees in cash or by cheque?

A: The official fee page says cheques and cash payments are not accepted for academic fees. Recheck the current payment instructions before making a payment.

Q34. Where can I find hostel fees?

A: Hostel fee tables are published on the official courses/fee page. Charges vary by room occupancy and AC/non-AC options, and may change each session.

Q35. How much is the hostel security deposit?

A: The official 2026–27 hostel table lists a one-time refundable hostel security deposit of ■5,000. Confirm the applicable terms with the hostel office.

Q36. Are admission fees refundable if I cancel admission?

A: The official 2026–27 page says refunds for newly admitted students follow UGC refund rules. The exact refund depends on the applicable policy and timing; consult the current official refund policy.

Q37. Can I get a refund if I leave the hostel?

A: The official page states that, in case of hostel withdrawal, only security, mess and laundry charges for unutilised months are refundable on a pro-rata basis, subject to the current policy.

Q38. Where can I find scholarship information?

A: The college website provides links to state/central scholarship policies and related notices. Eligibility, documents and deadlines depend on the specific scheme.

5. Hostel, Transport and Campus

Q39. Does ABES provide hostel accommodation?

A: The official fee page publishes hostel fee structures for boys and girls. Availability is limited and should be confirmed with the hostel office.

Q40. Can I choose an AC or non-AC hostel room?

A: The official hostel tables list different room categories, including AC/non-AC options for boys and AC options for girls. Actual allotment depends on availability and current rules.

Q41. Are hostel rooms allotted on a first-come, first-served basis?

A: The official fee page states that room allotment is on a first-come, first-served basis.

Q42. Where can I check hostel rules?

A: The college website lists a Hostel Rule Booklet under its official links. Check the latest booklet for timings, visitor rules, leave procedures and other conditions.

Q43. Does ABES provide transport facilities?

A: Transport-related information and applicable charges should be checked on the official college website or confirmed with the transport office. Routes and availability may change.

Q44. Where can I find campus forms and student services?

A: The official website's footer links to student request forms and services, including hostel-related forms, degree/marksheet collection, transfer certificate, character certificate and refund/excess-amount requests.

Q45. Where can I find the college's academic calendar?

A: The official website lists an Academic Calendar under its important disclosures/links. Check the latest session-specific calendar for dates.

6. Academics, Exams and Student Records

Q46. Where can I find academic notices and circulars?

A: Check the official ABES website for circulars, notices, academic calendar and relevant student portals.

Q47. Where can I access student information services?

A: The official website lists SIS and other student-service links. Use the credentials and instructions issued by the college.

Q48. Where can I check examination results?

A: The official website includes an Academic Results link. As ABES describes itself as autonomous since 2025, follow the current college notices for the applicable result portal and rules.

Q49. How do I collect my degree or marksheet?

A: The official website lists an application form for collection of degree and marksheet. Check the form and instructions on the official website.

Q50. How can I request a Transfer Certificate?

A: The official website lists an application form for a Transfer Certificate. Follow the latest form and submit it through the designated college process.

Q51. How can I request a Character Certificate?

A: The official website lists an application form for a Character Certificate. Check the current instructions and required documents before submitting a request.

Q52. How do I request a refund or return of an excess amount?

A: The official website lists a form for refund/adjustment of excess amount and an online link for excess-amount refund application. Follow the latest instructions on the website.

Q53. Where can I find anti-ragging information?

A: The official website lists anti-ragging information and related policies. Refer to the current policy and designated college committee/contact details.

Q54. How do I raise a grievance?

A: The official website lists a Grievance Redressal Portal. Submit your concern through the official channel and retain any reference number or acknowledgement.

7. Placements, Careers and Research

Q55. Where can I find placement information?

A: Use the official ABES website's Placement section for published placement information, reports and updates. Figures may relate to a particular graduating batch or year.

Q56. Does ABES publish placement statistics?

A: The official admission website displays selected placement highlights for 2025. For complete statistics, company-wise details and the relevant batch, consult the current official Placement section.

Q57. Where can students find internship or career support information?

A: Check the official Career/Placement section and department notices for the currently available activities, opportunities and contact points.

Q58. How can students find information about innovation and entrepreneurship?

A: The official admission website highlights startups incubated at ABES. Consult the college's official innovation/entrepreneurship pages for current programmes and participation details.

Q59. Where can I find information about the library?

A: Use the official college website and student-service links for library access, timings, rules and resources. If a detail is not published, contact the library directly.

Q60. How can I find information about clubs and student activities?

A: Check official college notices, department communications and campus activity announcements for current clubs, events and registration details.

8. Help and Escalation

Q61. What should the chatbot do if it cannot answer my question?

A: It should say that the information could not be verified, provide the relevant official ABES link/contact where available, and offer to raise a support ticket rather than inventing an answer.

Q62. How can I contact ABES if a website link is not working?

A: Use the official contact page or call 0120-7135112. Explain which page or form is not working and include a screenshot if possible.

Q63. Where should I verify time-sensitive information such as fees, dates or eligibility?

A: Verify it on the official ABES website and the relevant official authority portal. Do not rely on old PDFs, social media posts or an AI answer alone.

Q64. Can the chatbot guarantee admission, a hostel room, a scholarship or a placement?

A: No. It should explain the published process and eligibility, but final decisions and availability must be confirmed by the responsible ABES office or official notice.

Official Sources for Verification

Use these pages as the source of truth when refreshing this FAQ. The college should review and approve answers before the chatbot is used for official student support.

Suggested chatbot data fields

For implementation, store each FAQ as a record with fields such as **id**, **category**, **question**, **answer**, **source_url**, **last_verified**, **owner_office**, and **needs_human_review**. For fees, admission deadlines, eligibility and policy questions, the chatbot should retrieve the latest source and escalate when it cannot verify the current rule.
